T. 82-2-2262-6131

F. 82-2-2273-4605

Seo-Yoon Jeong is a patent attorney at Lee International IP & Law. Jeong is in charge of patent filings in various fields of chemistry in the chemistry team, including general chemistry, organic chemistry, inorganic chemistry and materials.

After being admitted as a Korean Patent & Trademark Attorney in 2015, she worked at Hanol Intellectual Property & Law for about a year and then at Muhan Patent & Law Firm about eight years. During that time, Jeong handled patent filings, invalidation and infringement assessments, information provision, trials such as appeals against rejection decisions of refusal and subsequent revocation actions for trial decisions for various companies. She also gained professional knowledge through her experience in various fields, including organic chemistry, materials and pharmacology.

Seo-Yoon Jeong graduated from KAIST (Korea Advanced Institute of Science and Technology) (B.S. in Chemistry, 2016). She is a member of the Korean Patent Attorneys Association.
